laurel wreath

S3

Year: ~????

Inventor: XXXXX

A laurel wreath is a wreath made of branches and leaves of the laurel (latin laurus). The laurel wreath is a symbol and an insignia for a special honor or distinction, for a victory (eg. for killing sheeps or even innocent children) or a special success. So to say the **special super-duper superman hero** to compensate low self-esteem (object fixation) with this once-received laurel wreath. About as intelligent as using always the one and the same One-Time-Pad.

As a Christian and psychology student, she saw that the Nazis are killing Jews, patients in mental institutions, innocents. She began to print flyers with her brother, distributed them at her university to stop Hitler. Unfortunately she and her brother was sentenced to death by a Nazi judge and murdered by the Nazis

May white roses materialize on her tomb

Opinion: Germany be proud on people like Sophie Scholl who had that much courage to give up

Crown

S1

Year: ~????

Inventor: XXXXX

A crown (Latin corona, the wreath ; Greek κορώνα, wreath', 'crown') is a precious, mostly made of gold and precious stones, predominantly of the Christian-Occident ruler: it expresses its power and dignity(?) as well as symbol for being ignorant, normally if one would sell the crown, he would have money to save many kids in the 3rd world. See also m40 Card. Frequently used in advertising, most often adapts / compensates low self-esteem, that is often a result if a father bosses around the kids to compensate his own low self-esteem that he maybe has from his father or boss or shrink. ▶

fool's cap

S2

Year: ~????

Inventor: XXXXX

In the Middle Ages a fool or a Tor (german: töricht = foolish) was the person, who entertained the royal household and was dressed mostly strange but funny. The term "fool" also refers to persons who are very immature, stupid, clumsy, biased, prejudiced, ignorant. I guess "ignorant" was inserted later. The fool is normally not ignorant and if the king has a black heart it would be even dangerous to tell him what many others think directly in his ***** faces.
 Kings often do not want to look in the mirror because they know normally that they are fat, hairy and ignorant. The fool tries to show the King his own stupidity without being killed (fester's licence) by the king (= Satan)

Lion

S4

Year: ~????

Inventor: XXXXX

The **carnivorous** lion symbolizes the Alpha Animal in a (a)social-system. In Economy these are often trend-setters that make their followers buy things they don't really need. They use the an **satans global marketing infrastructure** that unfortunately also kills innocent kids in the 3rd world but als eg. in switzerland a you see on card m46. Being in your circle of equal aged people is normally much more satisfying but the infrastructure tries to split them with eg. sk1 & b1, c06, c07, m37 -> m46 -> dt1...
 Maybe useful as bad example or as carpet, (note, hopefully this picture represents a faux fur lion, so no animal had to die). The "master" lion seems to create other lions as scapegoats but also to make them defend him and his **Hitler-Mental-Operating-System**
